

Adopt an Author Form

802-476-7550 • aldrichlibrary@charter.net • aldrichpubliclibrary.org

Become a sponsor and Adopt an Author! This program allows the library to acquire all the new titles published by YOUR chosen author. When a new title becomes available, you are placed 1st in the hold queue and your name is placed on a bookplate on the title page.

As a sponsor, you reimburse the library for the book cost, which is usually 25-45% off cover price!

I would like to adopt:

My name is: _____

My address is: _____

My e-mail is: _____

I prefer to be contacted by: Regular Mail E-mail

I agree to adopt the author(s) listed on this form. I understand that I will get to read every new title by the author(s) first, in exchange for paying the library's cost for the title (often 45% of the cover price). My name will be on a nameplate in the book, acknowledging my gift to the library. I understand that the book is a gift from me to the library, and the adopted title will be the property of the Aldrich Public Library.
