

Meet Libby.

Getting Started

- **Download** Libby to your device.
- On Apple, download from the "App Store." On an Android device, download from the "Google Play Store." If your Kindle does not support Libby, download the "Overdrive" app.
- **Open** the app, click either "sign in" or "add a library card" and **search** for your library. Enter our zip code **05641** and select Aldrich Public Library (or the Green Mountain Library Consortium).
- When prompted, sign in with your full **library card number**. Your password will be the first four letters of your last name with the first letter capitalized.
- If you have a last name with an apostrophe, the first letter after the apostrophe must also be capitalized.
- If you are unable to login using these steps, your library card information may be out of date. Please call us during library hours to update your information so that you can resume using Libby.

For questions, call us during library hours at (802) 476-7550. For help when the library is closed, visit help.libbyapp.com
